Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO Form 1449. A copy of each of these documents is enclosed.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-1448. In particular, if an Office Action on the merits is mailed out prior to reception of this IDS, the Commissioner is hereby allowed to charge the amount of \$240.00 to our Deposit Account No. 06-1448 to cover the fee required by 37 C.F.R. § 1.97 (c). The Commissioner is also allowed to charge any fee deficiencies and credit any overpayment to our Deposit Account No. 06-1448.

Respectfully submitted,
